3/9/2026

BUG ID	MODULE NAME	BUG DESCRIPTION	STEPS TO REPRODUCE	PRIORITY	SEVERITY	REFERENCE	STATUS
BG_001	Registration	The Registration form allows users to enter numeric values in the Name field. The Name field should accept only valid alphabetic characters and should reject numbers.	1.Open the Bharlo app. 2.Navigate to the Registration page. 3.Enter numeric values such as 123456 in the Name field. 4.Enter valid details in the remaining mandatory fields. 5.Click the Register/Sign Up button. 6.Observe the result.	MEDIUM	MINOR		OPEN
BG_002	Application Performance	The app experiences noticeable performance lag while navigating between screens. Pages take longer than expected to load and the application responds slowly to user actions.	1.Open the Bharlo app. 2.Navigate to different screens/pages. 3.Tap on menus, buttons, or other interactive elements. 4.Scroll through the page. 5.Observe the application response.	HIGH	MAJOR		OPEN
BG_003	Location	When the user tries to change the delivery location from the Cart using the "Use My Location" option, a location permission popup is displayed. However, the OK and Cancel buttons on the permission popup are not	1.Open the app. 2.Add a product to the cart. 3.Navigate to the Cart page. 4.Select the option to change the delivery location. 5.Click "Use My Location". 6.Observe the location permission popup.	HIGH	minor		OPEN
BG_004	Fruits & Vegetables	When the user selects the Fruits & Vegetables section, the application displays unrelated products such as tea bags, chicken, sou pand honey along with fruits and vegetables.	1.Open the app. 2.Navigate to the Categories section. 3.Click on Fruits & Vegetables. 4.Observe the products displayed. 5.Check whether all displayed products belong to the selected category.	HIGH	HIGH		OPEN
BG_005	Product Listing	Some products displayed in the app do not have product images. The image area appears blank, making it difficult for users to identify the products.	1.Open the app. 2.Navigate to the product listing/category section. 3.Scroll through the available products. 4.Observe the product images. 5.Identify products where the image is missing	HIGH	HIGH		OPEN
BG_006	Checkout	The app does not provide any payment option or payment method selection during the checkout process. Users are unable to select or view an available payment method before placing the order.	1.Open the app. 2.Add a product to the cart. 3.Navigate to the Cart. 4.Click Checkout. 5.Enter the required details. 6.Proceed through the checkout process.	HIGH	major		OPEN
BG_007	Cart	The app does not enforce a maximum quantity limit for products. Users can continuously increase the product quantity without any restriction.	1.Open the Bharlo app. 2.Select any product. 3.Add the product to the cart. 4.Open the Cart. 5.Increase the product quantity repeatedly. 6.Continue increasing the quantity beyond a reasonable	minor	minor		OPEN
BG_008	Shipping Address	The First Name, Middle Name, and Last Name fields in the Shipping Address section allow users to enter numeric values. These fields should validate the input and accept only valid name characters.	1.Open the Bharlo app. 2.Add a product to the cart. 3.Proceed to Checkout. 4.Navigate to the Shipping Address section. 5.Enter numeric values in the First Name field. 6.Enter numeric values in the Middle Name field.	high	major		OPEN

BG_009	Order Management	After placing an order, the Bharlo app does not provide an option for the user to cancel the order.	1.Open the Bharlo app. 2.Add a product to the cart. 3.Proceed to checkout. 4.Complete the required details. 5.Place the order successfully. 6.Navigate to My Orders / Order History.	low	major		OPEN
BG_010	Forgot Password	In the Forgot Password section, the application states that the OTP is being sent to the user's registered email address. However, the OTP is actually received through mobile SMS.	1.Open the Bharlo app. 2.Navigate to the Login page. 3.Click Forgot Password. 4.Enter the registered email address number 5.Click Submit / Send OTP. 6.Observe the message displayed by the application.	low	major		OPEN
BG_011	Cart	The Add to Cart button and quantity control buttons are too small, making them difficult for users to clearly see and tap, especially on mobile devices.	1.Open the Bharlo app. 2.Navigate to any product listing or product details page. 3.Observe the Add to Cart button. 4.Add the product to the cart. 5.Observe the quantity buttons. 6.Try tapping the buttons repeatedly.				OPEN
BG_012	Location	After the user grants location permission to the app, the application asks for location permission again when the app is closed and reopened.	1.Open the app. 2.Allow the application to access the device location. 3.Close the app completely. 4.Reopen the app. 5.Observe the location permission prompt.				OPEN
BG_013	Product Availability	When the app indicates that the service is not available in the user's current location, products are still displayed on the Product Page. This may mislead users into believing that the products can be purchased and delivered to their location.	1.Open the Bharlo app. 2.Set a location where the service is not available. 3.Observe the Service Not Available message. 4.Navigate to the Product Page or search for a product. 5.Observe the products displayed.
